Resource Directory

Citizenship - Community Development

We schedule events and activities on an ongoing basis. We have found that men who get connected and stay connected, stay out of prison. Many of our events and activities include spouses or significant others and family members because we feel this is a very important element in each man's recovery. See the calendar for details. Go to our Events page to register for upcoming events. The Welcome Back Center
We provide ten housing units on the second floor (with an additional two units at a nearby duplex) and a place for fellowship, prayer, counseling and education on the first floor.

Damascus Way was established to assist men being released from prison to find jobs and housing in a structured and caring environment. With two locations, the programming is the same. The Minneapolis facility has 18 beds; the Rochester program has 24 beds. Damascus Way seeks to provide a structured, caring, Christian-oriented program that will enable adult males involved in the correctional system to remain crime and chemical free, while assisting them in addressing their personal issues and meeting their individual goals, in order to assure their successful integration as productive citizens serving God and their communities.

RECONNECT matches ex-offenders with resources to meet their basic needs, including referrals for employment, housing, transportation, and voicemail. Amicus is a program and drop-in center providing information, referrals, and specialized one-on-one planning tailored to the specific challenges that come with having a criminal background. The award-winning staff, some who are former offenders themselves, have expertise in the community and resources available to this population.
