Production Worker and General Laborer Committed to Safety and Quality

(personal branding statement - describes position and a quality that makes you great at it)

Summary of Skills: *(make sure the skills are relevant to the job you are applying for - usually found in the job description)*

- Sorting, grading, weighing, and inspecting products, verifying and adjusting product weight or measurement to meet specifications.
- Observing machine operations to ensure quality and conformity of filled or packaged products to standards.
- Monitoring the production line, watching for problems such as pile-ups, jams, or glue that isn't sticking properly.
- Attaching identification labels to finished packaged items, or cut stencils and stencil information on containers, such as lot numbers or shipping destinations.
- Stocking and sorting product for packaging or filling machine operation, and replenishing packaging supplies, such as wrapping paper, plastic sheet, boxes, cartons, glue, ink, or labels.
- Packaging the product in the form in which it will be sent out, for example, filling bags with flour from a chute or spout.
- Inspecting and removing defective products and packaging material.
- Starting machine by engaging controls.
- Removing finished packaged items from machine and separate rejected items.
- Counting and recording finished and rejected packaged items.
- Stopping or resetting machines when malfunctions occur, clearing machine jams, and reporting malfunctions to a supervisor.
- Removing products, machine attachments, or waste material from machines.
- Transferring finished products, raw materials, tools, or equipment between storage and work areas of plants and warehouses, by hand or using hand trucks.
- Packing and storing materials and products.
- Helping production workers by performing duties of lesser skill, such as supplying or holding materials or tools, or cleaning work areas and equipment.
- Counting finished products to determine if product orders are complete.
- Measuring amounts of products, lengths of extruded articles, or weights of filled containers to ensure conformance to specifications.
- Following procedures for the use of chemical cleaners and power equipment to prevent damage to floors and fixtures.
- Mixing water and detergents or acids in containers to prepare cleaning solutions, according to specifications.
- Loading and unloading items from machines, conveyors, and conveyances.
- Operate machinery used in the production process, or assist machine operators.
- Placing products in equipment or on work surfaces for further processing, inspecting, or wrapping.
