Support Groups - Support Circles

2821 Vel R Phillips Ave, Suite 223
Milwaukee, WI 53212
(414) 374-8029

Circles of Support are small groups that meet regularly to provide a stable, supportive network to men and women returning from incarceration. Members of each circle include formerly incarcerated people, a trained circle keeper, and community volunteers. Through a structured process, members grow with each other, learn from one another, and help the community heal from the trauma experienced through poverty and crime.

Alumni Support Group

The Alumni Support Group meets every Tuesday at 5:00 pm. This is a re-entry support group facilitated and attended by those who have experienced incarceration and extended supervision. The purpose of this group is to address the immediate needs of each participant in a safe and supportive atmosphere. Too often those returning from incarceration do not have a positive support network and do not know who they can express the struggles they are facing. The Alumni Group provides that supportive atmosphere that is sorely lacking in many people's lives.

Womens Support Group

The Womens Support Group focuses entirely on issues facing women who have returned from incarceration. After prison, women often face

lives for themselves, their children and the community we all share. Our services include community-based counseling for substance use disorders and mental health treatment, reentry support, neighborhood drop-in centers and street outreach.
