**Shelter - Low Income Housing**

**FAMILY HOUSING**

Eden Housing now manages SCH rental apts. The rents for most of our apartments are below market rate. In order to apply for an apartment, you must first be placed on the waiting list, if it is open. Then we will contact you for an interview to complete the rental application. We will verify the income and assets for all household members to determine if you qualify for the program. We also run a credit report, criminal background check and rental history.
