Section 8: Frequently Asked Questions

What is Section 8 Housing?

The actual name of the program commonly known as “Section 8” is the Housing Choice Voucher Program, a federally funded program that subsidizes rent for eligible participants. It is designed to assist very low-income families or individuals. A housing subsidy is paid directly to the landlord on behalf of a participating family/individual.

How do I apply for Section 8 housing?

Contact your local [Public Housing Authority](#).

For further assistance, contact the Housing and Urban Development office nearest you.

Does my criminal record ban me from public housing?

There are only 2 convictions for which a PHA must prohibit admission:

- If any member of the household is subject to a lifetime registration requirement under a State sex offender registration program; and,
- If any household member has ever been convicted of drug-related criminal activity for manufacturing or production of methamphetamine on the premises of federally assisted housing.

Veteran's Page

Thank you for your service!

fairshake.net/veterans

This page was created to assist veterans who are, or have been, incarcerated. There are several resources on this page that may help reduce the pressures associated with reentry. Sadly, very few organizations provide mailing addresses any more. Fair Shake's Veteran's page is actually pretty large, but it has very few mailing addresses. Fair Shake continues to hold the Resource Guides that were available from 2012 -2016. Many of the organizations are still in operation so it's worth it to check them out. Resource guides like that are just not available anymore. (They are in the software application, too, which is FREE to all prisons and jails.)

**EXAMPLE of a
Letter of Explanation**

Re: Letter of Explanation

Insert Date Here.

Dear Sir or Madam,

The things I value most are honesty, integrity and directness. Therefore, in anticipation of the criminal background check, you will find that in October of 2006 I was convicted of the offense of Armed Robbery - Use of Force. I served 24 months in prison for my crime. Upon release in 2008, I unfortunately, returned to the same negative influences and the same circle of negative associations and as a result, I re-offended in 2009. The charge was again, Armed Robbery this time as a Party to a Crime. I know that what I did was wrong. It was a result of poor decision making on my part and it hurt a lot of people. I've learned a great lesson and won't repeat those past mistakes.

While incarcerated, I completed my HSED through the Warren Young School. In addition, after a period of careful self-examination, I began working on ME. I successfully completed coursework in **Walking the Line - the Vow to Succeed Program, Cognitive Intervention Phases I and II, and Re-Entry bridge to Success programs**. I then continued my education, gaining **certifications in Telecommunications Technologies as a Network Cabling Specialist in Copper Based Systems**. Since my release I have done some full time work as laborer in a tannery and volunteered my time at my 11 year old son's school. However, I am looking forward to getting back to work full-time in the field of Telecommunications as an installer so I may further demonstrate the changes in my life and be a responsible member of society.

I can understand why you may be hesitant to hire someone with my background. However, I am eligible for **The Fidelity Bonding Program which can insure you for up to \$25,000** against any act of dishonesty on my part. Additionally, when you hire me, you will be eligible for **Work Opportunity Tax Credits to save you up to \$9,000 this year**. I will be happy to provide you more information about those programs during our interview. Lastly, I recently successfully completed the **Pipeline to Employment Training Program for Former Offenders** sponsored by the **State of Wisconsin Department of Workforce Development** and I can provide a letter of recommendation from them at your request.

I am eager to pursue this or other opportunities with your company because I am confident my skills and experiences will dovetail with the needs of your business.

Thank you for your time and consideration.

Sincerely,

Your name here

Interview Tips

Before you head to your interview, ask yourself these questions:

- Do you really want this job?
- Are you qualified for the job?
- Do you believe you can get the job?
- What attitude and information must you deliver to the employer to get the job?
- Are you ready for your interview?

If you decide you really want to get this job, consider these tips:

1. Keep your answers short yet full of information, unless you are asked to clarify. Try to put yourself in the interviewer's shoes; asking the same questions of many applicants! Fine tune your answers to the Sample Interview Questions and bring your authenticity and vitality to the interview.
2. Determine what your key strengths and assets are. Be sure to state them confidently a couple of times throughout the interview.
3. Prepare for a variety of interview questions. Consider the challenges you have overcome, the difficult interpersonal situations that you resolved with others, and several success stories.
4. Describe specific situations and accomplishments. Generalities fail to show the interviewer your strengths and assets and how they can benefit the company and the position that is available.
5. Put yourself on their team. Show how you fit in with the existing work environment and company culture. During the interview, align your language with the language of the team.
6. Observe your non-verbal communication. Are you saying what you mean to say? Practice answering some of the Sample Interview Questions in front of a mirror to see if your eyes and your gestures agree with your words.
7. Ask questions. Is this where you want to work? Find out what you need to know to accept the job. Also, the interviewer will see that you are taking interest in the company and work environment. That is an important quality in a team player.
8. Be sure to talk WITH the interviewer and not AT the interviewer. Interviews are stressful enough for both parties. Keep it human.
9. Research the company. Is it a right fit for you? Can you get behind the mission of the company? How much can you know about the work and the work environment before the interview?
10. Apply for jobs that you are skilled for and that you can appreciate...even if only as a stepping stone to your next job. If you truly want the job, you must be able to compete successfully with your competition. Authenticity shines through your words and your non-verbal communication.
