Family - Child Care

At CHS, we view a child not in isolation, but in the context of each family's health, stability, and resources. We believe that families are fundamentally strong and resilient. That is why CHS offers programs and services to build upon a family's inherent strengths so they can move toward self-sufficiency.

Family - Family Services

Family Preservation
The Apostles House has been providing companionship services to families for the past 20 years. Families identified by the Department of Youth and Family Services (DYFS) as being in danger of foster home placement as a result of abuse or neglect, are referred to us to provide support for these families with the goal of stabilizing and preserving the family structure in place. Many of our clients are overwhelmed by their conditions and need direction, information and referrals, face to face counseling, mentoring and basic attention to help them resolve their problems. The Family Preservation program provides these necessary services.

Parenting is one of the best and most rewarding jobs anyone could have. But this role also brings challenges for everyone. There are many organizations in the community that offer assistance and help support parents. The Department of Children and Families funds various programs throughout the state to help and strengthen families. At this site you can find links to these programs along with links to other State agencies that offer assistance to families.

Reentry Resource - Programs

Centerforce provides services that support, educate and advocate for individuals, families and communities impacted by incarceration. For more than 30 years, Centerforce has been a national leader in providing groundbreaking, evidence-based programs to incarcerated people and their loved-ones. Centerforce develops and delivers innovative solutions by providing health education, family and community programs to this often neglected community.

We aim to foster transformative experiences during incarceration, promote successful re-entry, and help reduce the risk of re-incarceration.
