PRE-RELEASE INVENTORY

Additional items to add to your list!

1. List the gifts that you bring with you!

- Include your courage, determination and authenticity.
- Your ability to listen well and offer the greatest gift a person can give: your attention.
- The special tools and skills you've developed to share with employers, coworkers, customers and clients.
- Expanded knowledge, compassion and commitment to those who are close to you.
- The unique perspective, and pro-social community-building skills that you have to construct the future with others!

2. Prepare for tough times. Write down book titles, articles, names of friends and family, and community resources you can turn to when things are tough; or when you feel down or vulnerable. When it's difficult to reach out to people; books may be a good place to start.

3. Check for "Over-Confidence". It's crucial to be confident...but foolish to be over-confident! Here are a couple of ideas to locate and address possible points of overconfidence:

- + Play "Devil's Advocate". Be critical and pessimistic. If possible, solicit the help of a friend or a young person. (In general, the young are better at this than adults.)
- + Resist comparing yourself to others. Everyone does things differently!
- + Listen to, and address, concerns or criticisms from others. This doesn't mean you need to argue with them or change course. Just check to see if you are fully considering their perspective.
- + Mix modesty and humility with enthusiasm.

4. Remember: you've got a lot of choices ahead! There's always more than one option, and almost always more than two. Try to find at least 4 options from which you can build or blend options to create your best opportunities!

AGENCY and ACTION

What can we do,
with what we have,
where we are,
right now ?

*** We can get ready for change; ready to build what comes next; ready for the unknown! We can read, write, plan, draw, and think – as a strategic problem solver and community building collaborator.

*** We can stay flexible...mentally and physically...so that whatever comes, we will be ready and able to adjust and contribute.

*** We can reflect, and deepen our understanding and compassion.

*** We can consider the things that we would most love to give our deep attention to and consider how our unique gifts could bring strength to the areas we are most passionate about.

*** We can gather tools and build skills that we will need such as attending to issues with anxiety, depression, loneliness, self-doubt; or deepening skills we already have and which are so hard to find such as listening and caring.

*** We could learn something important for community building, so we can share it with any community we join.

*** Feel free to reach out to Fair Shake to see if we can connect you with a group of people who are working in the area where you would like to invest your efforts: outreach@fairshake.net.

Wishing you all the best through your transitions to come! Your success is important to me...and to our future together. **Ubuntu!**

Fair Shake's

MYTH-BUSTERS

Myth: FALSE DICHOTOMIES – The idea that you must choose between two options: Yes or No. Good or Bad. Right or Wrong. Candidate A or B. Rise or Fall. With Us or Against Us. Science vs Religion. Rational vs. Emotional. Individual vs. Group. and one that I've heard a lot in my life: "That's a man's (sport, job, perspective); it's not for women". (a form of yes or no) Whenever you need to make a choice, see if you can find 4, 5, or even 10 options!

Myth: WE STOP LEARNING – If I had never touched a flame before I turned 58 years old, I would learn to never touch one in the future if I touched one today. We acquire information constantly and we organize it into meaning. We may even care enough to find out how what we learned relates to what we already know and believe. One thing school failed to teach us is how to learn, and how to discern what we learn. The 'information sources' today are louder, strangely influential, and grossly incomplete. To get the full picture, we have to dig for information and ask good questions, while also trying to avoid getting overwhelmed or trapped. We must keep learning, and as we learn, we can learn to live together better! We do not have to accept limitations or acceptable levels of suffering. We are NOT STUCK. We can learn...and then change...whatever we want. "There is no inevitability as long as there is a willingness to contemplate what is happening." - Marshall McLuhan (author of The Medium is the Message)

Myth: MERITOCRACY - The more you learn the more you earn', 'you can make it if you try', 'pull yourself up', etc. Many ways to reinforce the idea that the people who have the money and the stuff are successful because they earned what they have, they got all their money through hard work and a shrewd (including a 100% respectful, environmentally-sound and firearms-free!) investment strategy. If only. Investing is almost never in line with our humanity values...yet it is always in our best interest to invest in humanity. Meritocracy is justified stratification; people above others for their achievements. Michael Sandel said: "We've slid into the assumption that the money people make is the measure of their contribution to the common good." I wonder how the merit idea would work if we increase accolades and 'status' based on care about others?

Myth: INCARCERATION PAYS A 'DEBT TO SOCIETY' - Why do we keep repeating this? Members of society believe that incarceration and the judicial system costs them money; they do not feel that they have been paid in any way. How could they? The only debt that has been paid is the one requested and required by a heartless and hungry punitive system. Society has little faith that 'the system' is providing the information necessary to reengage successfully. Together, we can change this. The 'justice system' is the only group getting paid.

Myth: WE ARE FRAGILE - The "Helping" Industry relies on us being weak. ACE (Adverse Childhood Experiences) scores may describe some aspects of people, but they in no way represent who we are. Many of us with high ACE scores have also become even more than resilient, we are now anti-fragile because of our challenges. This means that the adverse conditions made us stronger than we would have been without them.

Myth: TV NEWS INFORMS YOU OF WHAT IS GOING ON All you get from any single news source is what they want you to see and believe. What they show us is what their sponsors want them to show us. Sponsors demand support, so the advertisements determine the 'news' you'll see on TV. Social Media cannot be counted on to inform us of anything but an opinion. To get more pieces of the whole story, we must consider information offered by many news sources.

Myth: WE NEED AUTHORITY AND MONEY TO 'FIX' OUR CHALLENGES - Why would we ask the institutions, and the people who are complicit in maintaining them, to fix the problems they created? Winona LaDuke says: "You shouldn't let your dealer tell you what you need." Are we frustrated enough yet to work on the solutions together? We've been trained to believe these myths:

- Experts and 'science' have the solutions to our challenges; they will provide the relief for our suffering. Q: What if they are the cause of our suffering?
- Money will fix our problems. Does money build trust, cooperation and feelings of confidence? We have gifts to share with each other. Our focus on money continues to take away our power. Money does not give us power. Feelings of agency, support and capability give us power!

Myth: INDIVIDUALISM – Individualism is said to be a “fundamental American principle” so is authoritarianism, lying, stealing, false superiority and also the myth of the 'self-made' person and "united we stand".

INTERDEPENDENCE, on the other hand, is a fundamental planetary principle. We can easily see our impact on the environment and on each other because of our insatiable pursuit of more stuff; a belief created to fill the hole created by 'individualism'. The Rev. Desmond Tutu reminded us that "the solitary individual" is a contradiction in terms.

Myth: "FREE-MARKET CAPITALISM" - You'll find that file between Easter Bunny and Santa Clause. The game is rigged. Capitalism offers some opportunity, but 'the market' does not **respond to our needs**. Instead, it manufactures our desires and externalizes unhealthy costs.

Myth: NOTHING WORKS: Roger Martinson wrote, "the represent array of correctional treatments has no appreciable effect - positive or negative - on rates of recidivism of convicted offenders." In the magazine Public Interest (1974), he stated, "rehabilitative efforts that have been reported so far have no appreciable effect on recidivism." The way that I read this is: the ineffective 'programs' supplied by the prisons (or whomever else) did not impact the already low (compared to today) recidivism rate. He said that no single thing works because we are unique. We are not robots. One thing that always works is 100% pro-social: it's us working together!

EMPLOYMENT AND EDUCATION REDUCE RECIDIVISM Only YOU "reduce recidivism". You and nothing else. It is up to you to utilize education or employment opportunities to support your reentry success; YOU get full credit for how you apply your gifts. After all, employment and higher education did not keep Jeff Skilling, Bernie Madoff, Martha Stewart, Bill Cosby, Charles Kushner, or several elected representatives, out of prison.

CRIMINOGENIC NEEDS Incarcerated people have basic human needs; the same needs we all have. You are not different. This is yet another attempt to scientize othering.

Myth: EXPERTS KNOW WHAT'S BEST

Experts have agendas. Always consider who is paying the 'expert'. Non-profit status does not automatically indicate integrity. Professional 'fixers' are often poor listeners. Prisons, schools and hospitals tell us what we need, they rarely ask what we think or feel. How can they 'help' if they don't hear? We can learn to listen to ourselves and each other by asking questions. We can work, care, and grow together to build our capacity for complexity, cooperation, constructive learning, critical thinking, and agency! We are the 'experts' we've been waiting for.

Section 8: Frequently Asked Questions

What is Section 8 Housing?

The actual name of the program commonly known as “Section 8” is the Housing Choice Voucher Program, a federally funded program that subsidizes rent for eligible participants. It is designed to assist very low-income families or individuals. A housing subsidy is paid directly to the landlord on behalf of a participating family/individual.

How do I apply for Section 8 housing?

Contact your local [Public Housing Authority](#).

For further assistance, contact the Housing and Urban Development office nearest you.

Does my criminal record ban me from public housing?

There are only 2 convictions for which a PHA must prohibit admission:

- If any member of the household is subject to a lifetime registration requirement under a State sex offender registration program; and,
- If any household member has ever been convicted of drug-related criminal activity for manufacturing or production of methamphetamine on the premises of federally assisted housing.

**EXAMPLE of a
Letter of Explanation**

Re: Letter of Explanation

Insert Date Here.

Dear Sir or Madam,

The things I value most are honesty, integrity and directness. Therefore, in anticipation of the criminal background check, you will find that in October of 2006 I was convicted of the offense of Armed Robbery - Use of Force. I served 24 months in prison for my crime. Upon release in 2008, I unfortunately, returned to the same negative influences and the same circle of negative associations and as a result, I re-offended in 2009. The charge was again, Armed Robbery this time as a Party to a Crime. I know that what I did was wrong. It was a result of poor decision making on my part and it hurt a lot of people. I've learned a great lesson and won't repeat those past mistakes.

While incarcerated, I completed my HSED through the Warren Young School. In addition, after a period of careful self-examination, I began working on ME. I successfully completed coursework in **Walking the Line - the Vow to Succeed Program, Cognitive Intervention Phases I and II, and Re-Entry bridge to Success programs**. I then continued my education, gaining **certifications in Telecommunications Technologies as a Network Cabling Specialist in Copper Based Systems**. Since my release I have done some full time work as laborer in a tannery and volunteered my time at my 11 year old son's school. However, I am looking forward to getting back to work full-time in the field of Telecommunications as an installer so I may further demonstrate the changes in my life and be a responsible member of society.

I can understand why you may be hesitant to hire someone with my background. However, I am eligible for **The Fidelity Bonding Program which can insure you for up to \$25,000** against any act of dishonesty on my part. Additionally, when you hire me, you will be eligible for **Work Opportunity Tax Credits to save you up to \$9,000 this year**. I will be happy to provide you more information about those programs during our interview. Lastly, I recently successfully completed the **Pipeline to Employment Training Program for Former Offenders** sponsored by the **State of Wisconsin Department of Workforce Development** and I can provide a letter of recommendation from them at your request.

I am eager to pursue this or other opportunities with your company because I am confident my skills and experiences will dovetail with the needs of your business.

Thank you for your time and consideration.

Sincerely,

Your name here

Fair Shake Employer Support

All of this information and much more can be found at <https://www.fairshake.net/employers>

Although tremendous responsibility is on the shoulders of those transitioning from prison to society, their success is made possible only when the entire community is involved.

Employers have the opportunity to help create one of the first and most stable bridges to reentry success. Fair Shake supports an employer's desire to understand formerly incarcerated applicants by offering tools and information to help you make informed, careful hiring decisions.

Fair Shake has also created tools for our members to more fully demonstrate their character than may be available on a standard job application through our free "office in the clouds", which includes a Personal Web Page.

The FAIR SHAKE PERSONAL WEB PAGE (PWP): What you learn about these applicants

Building a Fair Shake personal web page is not an easy feat! Formerly incarcerated people who create this page demonstrate many things to you:

- **HONESTY:** They are open, honest and direct by letting you know s/he has been incarcerated. As you may well imagine, this takes an enormous amount of courage. We know that honesty is imperative to building trust. Is honesty something you are looking for in your employees?
- **SELF-MOTIVATION:** Creating this page demonstrates the applicant's perseverance tenacity, and desire to succeed. S/he had no coercion in building this page; there was no class for it nor did anyone recommend they do this. They built the page of their own volition.
- **TECH-SKILLS:** A variety of computer skills were required to create the Personal Web Page including: scanning, storage, typing, and understanding 'cloud' technology; to name a few.
- **HUMANNESS:** In addition to the above, the applicant offers information here that describes more than skills and experiences; you learn who they are and what they bring to your organization. This information is very important in building company culture, but is not requested on standard job applications.

Why hire a formerly incarcerated person?

- To keep your options open for hiring the best possible candidate!
- Many formerly incarcerated people have received extensive training
- Many formerly incarcerated people are motivated to work
- Many formerly incarcerated people have a job coach or advisor
- Support is available for training and reducing risk

Fidelity Bonding Program

The **Fidelity Bonding Program** offers six months of free bonding support to businesses across the country to lower their risk when hiring applicants who have been incarcerated.

Federal Fidelity Bonding Program: <http://bonds4jobs.com>

Bonding can:

- Reduce your risk when you hire formerly incarcerated people
- Provide six months of FREE insurance against employee theft
- Be obtained quickly and easily by just a phone call to confirm your hire

To bond a formerly incarcerated new hire today **call toll-free: 877-US2-JOBS (877-872-5627)**
