Section 8: Frequently Asked Questions

What is Section 8 Housing?

The actual name of the program commonly known as “Section 8” is the Housing Choice Voucher Program, a federally funded program that subsidizes rent for eligible participants. It is designed to assist very low-income families or individuals. A housing subsidy is paid directly to the landlord on behalf of a participating family/individual.

How do I apply for Section 8 housing?

Contact your local [Public Housing Authority](#).

For further assistance, contact the Housing and Urban Development office nearest you.

Does my criminal record ban me from public housing?

There are only 2 convictions for which a PHA must prohibit admission:

- If any member of the household is subject to a lifetime registration requirement under a State sex offender registration program; and,
- If any household member has ever been convicted of drug-related criminal activity for manufacturing or production of methamphetamine on the premises of federally assisted housing.
