"We help men overcome addiction and find hope that leads to lasting change."

You can write to them to find out if scholarships are available.

Here's what they say about their program: Over the course of twelve months, every man at Waypoint walks through a regenerative program that covers everything from inner healing and biblical teaching to practical steps to break addiction. Our unique approach combines the tangible skills every man in recovery needs, all within a faith-based residential environment that provides deeper meaning that leads to lasting change.

The most important criteria for admittance into Waypoint Ministry is a sincere desire to change accompanied by a grateful attitude for the opportunity. Even though we are compelled by our faith in Jesus, we want to assure every applicant that this is not a prerequisite for your acceptance. We believe that faith is an integral part of finding deeper meaning that leads to lasting change. Hopefully, this becomes your experience as well.
