The Lovelady Center's purpose is to help women build a strong positive foundation in Christ. Our mission statement is empowering women, through faith-based initiatives so they can return to society as well equipped women of God. We do this by providing a safe structured loving environment offering many classes concerning many issues. The Lovelady Center's residents consist of many different walks of life, needing our services for many reasons.

### **Reentry Resource - Multiple Resources Available**

AIM reunites mothers and children separated by prison. Our goal is to enrich the lives of both incarcerated mothers and their families through programs that provide education and support. Care doesn't just stop once the mothers are released from prison. Re-entry can be especially hard, and this transition puts the women at risk for relapsing into old routines. Project Reconnect is an aftercare program that helps them secure jobs and housing, and provides them with essential counseling.
