Based on user feedback, ex-offenders seem to have a good chance of being hired at Chipotle restaurants. The discretion of the hiring manager of each location may play heavily into this.

Working at Chipotle is unlike other quick-serve restaurants. For starters, we make real food. We also provide a clear and easy path to success by rewarding hard work and hiring from within. Working in one of our restaurant jobs, our Crew members learn on the job, and from there we encourage them to grow and advance as far as they want to go, to restaurant manager roles and beyond.

Our mission is to reduce Maryland's recidivism rate by providing the support and direction needed to obtain vital services post-incarceration.

Individualized case management is the hallmark of our work. Maryland Reentry Resource Center helps those currently and previously impacted by incarceration to successfully regain entry to their communities by assisting participants with alleviating barriers to a successful reentry. This road to reentry is different for everyone. Reentry transition plans may include steps for family reunification, health, and wellness, including mental health needs, substance abuse and addiction treatment, stable housing, transportation, reading and writing services, financial training, continuing education and sustainable employment. Our approach is holistic and multi-faceted. Case managers assess the needs of each client and their families; that information is then used to coordinate services, monitor, and evaluate success and advocate where there are gaps in support coverage.
