Offers a wide variety of academic and life skill programs. Two professional certified teachers oversee the academic programs and two days a week a computer lab is available. Available services included GED tutoring in math and English, high school completion courses through PLATO, art, music, and ABE tutoring on a weekly basis. We also have outside programs and tutors who work with small groups and individuals. A full time college program and vocational options are also part of the education department.

Re-Entry Maine contacts those being released while still in prison/jail and develops a release plan in coordination with DOC caseworkers. Re-Entry Maine meets these folks when released and supports them with hygiene products, emergency food kit, and information packet. Re-Entry Maine connects clients with transportation, housing, employment, mental health & substance use resources, faith connections, and any other needs.

This program is a unique direct care re-entry program started in the Lewiston-Auburn area and growing to other Maine communities!

The mission of Meetup is to revitalize local community and help people self-organize. Meetup believes that people can change their personal world, or the whole world, by organizing themselves into groups that are powerful enough to make a difference. More than 9,000 groups get together in local communities each day, each one with the goal of improving themselves or their communities.

Please visit the website to join and find a Meetup group!
