Shelter - Energy Assistance

The Energy Assistance Program (EAP) can help you pay your heat and electric bills! EAP is a federally-funded program through the U.S. Department of Health and Human Services (HHS) called the Low-Income Home Energy Assistance Program (LIHEAP). EAP provides a one-time annual benefit that can assist you with the high cost of home energy and can help if you are disconnected, or are about to get disconnected. However, an EAP benefit will not cover all of your annual heating and electric costs, so you should continue to pay your bills regularly.
