college education free of cost and accessible to any person who seeks one. Its founding principle is that access to affordable education is fundamental to any philosophy that respects all individuals, and fundamental to the American dream. Modern States' initial program, Freshman Year for Free, is intended to let students earn up to one year of college credit without tuition or textbook expense. Modern States hopes to provide links for students to tutoring, mentoring and college advising groups as well.

Parenting is challenging, and the challenge comes with little direction at times. Just as there are no perfect children, there is no such thing as a perfect parent. At PFSA we believe every parent needs and deserves two things: Information, and support! Our staff and statewide network provide information on topics of interest to parents, a variety of publication and resources. We also encourage that you find support in your neighborhood from organizations and other parents in your community.

The mission of Meetup is to revitalize local community and help people self-organize. Meetup believes that people can change their personal world, or the whole world, by organizing themselves into groups that are powerful enough to make a difference. More than 9,000 groups get together in local communities each day, each one with the goal of improving themselves or their communities. Please visit the website to join and find a meetup group!
