ARC Program

519 W WISCONSIN AVENUE

WAUKESHA, WI 53186

262-442-5889

The returning citizens at The New Man Project learn to design and build handcrafted wood furniture

The ARC program was developed to allow individuals, churches, and businesses to become involved in helping men successfully return to society from prison. For some returning citizens, facing an unemployment rate of 65% makes finding a job with a family-supporting wage very difficult. When you take into consideration lack of education, limited skills, felony record, drug addiction, temporary housing, and no driver's license, it makes it nearly impossible to find sustainable employment. Financial donations to our prisoner rehabilitation program given on a monthly basis, are used to hire men who desperately need a second chance. These donated funds are used exclusively for the wages of men employed by The New Man Project and may be tax-deductible.

After prison, women often face unique issues struggle in silence, but the Women's Group is a space for community and solidarity. often in silence.
