Section 8: Frequently Asked Questions

What is Section 8 Housing?

The actual name of the program commonly known as "Section 8" is the Housing Choice Voucher Program, a federally funded program that subsidizes rent for eligible participants. It is designed to assist very low-income families or individuals. A housing subsidy is paid directly to the landlord on behalf of a participating family/individual.

How do I apply for Section 8 housing?

Contact your local [Public Housing Authority](#).

For further assistance, contact the Housing and Urban Development office nearest you.

Does my criminal record ban me from public housing?

There are only 2 convictions for which a PHA must prohibit admission:

- If any member of the household is subject to a lifetime registration requirement under a State sex offender registration program; and,
- If any household member has ever been convicted of drug-related criminal activity for manufacturing or production of methamphetamine on the premises of federally assisted housing.

Re: Letter of Explanation

Insert Date Here.

Dear Sir or Madam,

The things I value most are honesty, integrity and directness. Therefore, in anticipation of the criminal background check, you will find that in October of 2006 I was convicted of the offense of Armed Robbery - Use of Force. I served 24 months in prison for my crime. Upon release in 2008, I unfortunately, returned to the same negative influences and the same circle of negative associations and as a result, I re-offended in 2009. The charge was again, Armed Robbery this time as a Party to a Crime. I know that what I did was wrong. It was a result of poor decision making on my part and it hurt a lot of people. I've learned a great lesson and won't repeat those past mistakes.

While incarcerated, I completed my HSED through the Warren Young School. In addition, after a period of careful self-examination, I began working on ME. I successfully completed coursework in **Walking the Line - the Vow to Succeed Program, Cognitive Intervention Phases I and II, and Re-Entry bridge to Success programs**. I then continued my education, gaining **certifications in Telecommunications Technologies as a Network Cabling Specialist in Copper Based Systems**. Since my release I have done some full time work as laborer in a tannery and volunteered my time at my 11 year old son's school. However, I am looking forward to getting back to work full-time in the field of Telecommunications as an installer so I may further demonstrate the changes in my life and be a responsible member of society.

I can understand why you may be hesitant to hire someone with my background. However, I am eligible for **The Fidelity Bonding Program which can insure you for up to \$25,000** against any act of dishonesty on my part. Additionally, when you hire me, you will be eligible for **Work Opportunity Tax Credits to save you up to \$9,000 this year**. I will be happy to provide you more information about those programs during our interview. Lastly, I recently successfully completed the **Pipeline to Employment Training Program for Former Offenders** sponsored by the **State of Wisconsin Department of Workforce Development** and I can provide a letter of recommendation from them at your request.

I am eager to pursue this or other opportunities with your company because I am confident my skills and experiences will dovetail with the needs of your business.

Thank you for your time and consideration.

Sincerely,
