**EXAMPLE of a
Letter of Explanation**

Re: Letter of Explanation

Insert Date Here.

Dear Sir or Madam,

The things I value most are honesty, integrity and directness. Therefore, in anticipation of the criminal background check, you will find that in October of 2006 I was convicted of the offense of Armed Robbery - Use of Force. I served 24 months in prison for my crime. Upon release in 2008, I unfortunately, returned to the same negative influences and the same circle of negative associations and as a result, I re-offended in 2009. The charge was again, Armed Robbery this time as a Party to a Crime. I know that what I did was wrong. It was a result of poor decision making on my part and it hurt a lot of people. I've learned a great lesson and won't repeat those past mistakes.

While incarcerated, I completed my HSED through the Warren Young School. In addition, after a period of careful self-examination, I began working on ME. I successfully completed coursework in **Walking the Line - the Vow to Succeed Program, Cognitive Intervention Phases I and II, and Re-Entry bridge to Success programs**. I then continued my education, gaining **certifications in Telecommunications Technologies as a Network Cabling Specialist in Copper Based Systems**. Since my release I have done some full time work as laborer in a tannery and volunteered my time at my 11 year old son's school. However, I am looking forward to getting back to work full-time in the field of Telecommunications as an installer so I may further demonstrate the changes in my life and be a responsible member of society.

I can understand why you may be hesitant to hire someone with my background. However, I am eligible for **The Fidelity Bonding Program which can insure you for up to \$25,000** against any act of dishonesty on my part. Additionally, when you hire me, you will be eligible for **Work Opportunity Tax Credits to save you up to \$9,000 this year**. I will be happy to provide you more information about those programs during our interview. Lastly, I recently successfully completed the **Pipeline to Employment Training Program for Former Offenders** sponsored by the **State of Wisconsin Department of Workforce Development** and I can provide a letter of recommendation from them at your request.

I am eager to pursue this or other opportunities with your company because I am confident my skills and experiences will dovetail with the needs of your business.

Thank you for your time and consideration.

Sincerely,

Your name here

MYTH-BUSTERS

Myth: FALSE DICHOTOMIES – The idea that you must choose between two options: Yes or No. Good or Bad. Right or Wrong. Candidate A or B. Rise or Fall. With Us or Against Us. Science vs Religion. Rational vs. Emotional. Individual vs. Group. and one that I've heard a lot in my life: "That's a man's (sport, job, perspective); it's not for women". (a form of yes or no) Whenever you need to make a choice, see if you can find 4, 5, or even 10 options!

Myth: WE STOP LEARNING – If I had never touched a flame before I turned 58 years old, I would learn to never touch one in the future if I touched one today. We acquire information constantly and we organize it into meaning. We may even care enough to find out how what we learned relates to what we already know and believe. One thing school failed to teach us is how to learn, and how to discern what we learn. The 'information sources' today are louder, strangely influential, and grossly incomplete. To get the full picture, we have to dig for information and ask good questions, while also trying to avoid getting overwhelmed or trapped. We must keep learning, and as we learn, we can learn to live together better! We do not have to accept limitations or acceptable levels of suffering. We are NOT STUCK. We can learn...and then change...whatever we want. "There is no inevitability as long as there is a willingness to contemplate what is happening." - Marshall McLuhan (author of The Medium is the Message)

Myth: MERITOCRACY - The more you learn the more you earn', 'you can make it if you try', 'pull yourself up', etc. Many ways to reinforce the idea that the people who have the money and the stuff are successful because they earned what they have, they got all their money through hard work and a shrewd (including a 100% respectful, environmentally-sound and firearms-free!) investment strategy. If only. Investing is almost never in line with our humanity values...yet it is always in our best interest to invest in humanity. Meritocracy is justified stratification; people above others for their achievements. Michael Sandel said: "We've slid into the assumption that the money people make is the measure of their contribution to the common good." I wonder how the merit idea would work if we increase accolades and 'status' based on care about others?

Myth: INCARCERATION PAYS A 'DEBT TO SOCIETY' - Why do we keep repeating this? Members of society believe that incarceration and the judicial system costs them money; they do not feel that they have been paid in any way. How could they? The only debt that has been paid is the one requested and required by a heartless and hungry punitive system. Society has little faith that 'the system' is providing the information necessary to reengage successfully. Together, we can change this. The 'justice system' is the only group getting paid.

Myth: WE ARE FRAGILE - The "Helping" Industry relies on us being weak. ACE (Adverse Childhood Experiences) scores may describe some aspects of people, but they in no way represent who we are. Many of us with high ACE scores have also become even more than resilient, we are now anti-fragile because of our challenges. This means that the adverse conditions made us stronger than we would have been without them.

Myth: TV NEWS INFORMS YOU OF WHAT IS GOING ON All you get from any single news source is what they want you to see and believe. What they show us is what their sponsors want them to show us. Sponsors demand support, so the advertisements determine the 'news' you'll see on TV. Social Media cannot be counted on to inform us of anything but an opinion. To get more pieces of the whole story, we must consider information offered by many news sources.

Myth: WE NEED AUTHORITY AND MONEY TO 'FIX' OUR CHALLENGES - Why would we ask the institutions, and the people who are complicit in maintaining them, to fix the problems they created? Winona LaDuke says: "You shouldn't let your dealer tell you what you need." Are we frustrated enough yet to work on the solutions together? We've been trained to believe these myths:

- Experts and 'science' have the solutions to our challenges; they will provide the relief for our suffering. Q: What if they are the cause of our suffering?
- Money will fix our problems. Does money build trust, cooperation and feelings of confidence? We have gifts to share with each other. Our focus on money continues to take away our power. Money does not give us power. Feelings of agency, support and capability give us power!

Myth: INDIVIDUALISM – Individualism is said to be a “fundamental American principle” so is authoritarianism, lying, stealing, false superiority and also the myth of the 'self-made' person and "united we stand".

INTERDEPENDENCE, on the other hand, is a fundamental planetary principle. We can easily see our impact on the environment and on each other because of our insatiable pursuit of more stuff; a belief created to fill the hole created by 'individualism'. The Rev. Desmond Tutu reminded us that "the solitary individual" is a contradiction in terms.

Myth: "FREE-MARKET CAPITALISM" - You'll find that file between Easter Bunny and Santa Clause. The game is rigged. Capitalism offers some opportunity, but 'the market' does not **respond to our needs**. Instead, it manufactures our desires and externalizes unhealthy costs.

Myth: NOTHING WORKS: Roger Martinson wrote, "the represent array of correctional treatments has no appreciable effect - positive or negative - on rates of recidivism of convicted offenders." In the magazine Public Interest (1974), he stated, "rehabilitative efforts that have been reported so far have no appreciable effect on recidivism." The way that I read this is: the ineffective 'programs' supplied by the prisons (or whomever else) did not impact the already low (compared to today) recidivism rate. He said that no single thing works because we are unique. We are not robots. One thing that always works is 100% pro-social: it's us working together!

EMPLOYMENT AND EDUCATION REDUCE RECIDIVISM Only YOU "reduce recidivism". You and nothing else. It is up to you to utilize education or employment opportunities to support your reentry success; YOU get full credit for how you apply your gifts. After all, employment and higher education did not keep Jeff Skilling, Bernie Madoff, Martha Stewart, Bill Cosby, Charles Kushner, or several elected representatives, out of prison.

CRIMINOGENIC NEEDS Incarcerated people have basic human needs; the same needs we all have. You are not different. This is yet another attempt to scientize othering.

Myth: EXPERTS KNOW WHAT'S BEST

Experts have agendas. Always consider who is paying the 'expert'. Non-profit status does not automatically indicate integrity. Professional 'fixers' are often poor listeners. Prisons, schools and hospitals tell us what we need, they rarely ask what we think or feel. How can they 'help' if they don't hear? We can learn to listen to ourselves and each other by asking questions. We can work, care, and grow together to build our capacity for complexity, cooperation, constructive learning, critical thinking, and agency! We are the 'experts' we've been waiting for.

Section 8: Frequently Asked Questions

What is Section 8 Housing?

The actual name of the program commonly known as "Section 8" is the Housing Choice Voucher Program, a federally funded program that subsidizes rent for eligible participants. It is designed to assist very low-income families or individuals. A housing subsidy is paid directly to the landlord on behalf of a participating family/individual.

How do I apply for Section 8 housing?

Contact your local [Public Housing Authority](#).

For further assistance, contact the Housing and Urban Development office nearest you.

Does my criminal record ban me from public housing?

There are only 2 convictions for which a PHA must prohibit admission:

- If any member of the household is subject to a lifetime registration requirement under a State sex offender registration program; and,
- If any household member has ever been convicted of drug-related criminal activity for manufacturing or production of methamphetamine on the premises of federally assisted housing.

PRE-RELEASE INVENTORY

Additional items to add to your list!

1. List the gifts that you bring with you!

- Include your courage, determination and authenticity.
- Your ability to listen well and offer the greatest gift a person can give: your attention.
- The special tools and skills you've developed to share with employers, coworkers, customers and clients.
- Expanded knowledge, compassion and commitment to those who are close to you.
- The unique perspective, and pro-social community-building skills that you have to construct the future with others!

2. Prepare for tough times. Write down book titles, articles, names of friends and family, and community resources you can turn to when things are tough; or when you feel down or vulnerable. When it's difficult to reach out to people; books may be a good place to start.

3. Check for "Over-Confidence". It's crucial to be confident...but foolish to be over-confident! Here are a couple of ideas to locate and address possible points of overconfidence:

- + Play "Devil's Advocate". Be critical and pessimistic. If possible, solicit the help of a friend or a young person. (In general, the young are better at this than adults.)
- + Resist comparing yourself to others. Everyone does things differently!
- + Listen to, and address, concerns or criticisms from others. This doesn't mean you need to argue with them or change course. Just check to see if you are fully considering their perspective.
- + Mix modesty and humility with enthusiasm.

4. Remember: you've got a lot of choices ahead! There's always more than one option, and almost always more than two. Try to find at least 4 options from which you can build or blend options to create your best opportunities!

Halfway Housing helps transition individuals and families from shelters or homelessness to permanent housing. Length of stay is usually anywhere from 6 months to 2 years. Residents are often required to pay at least 30% of their income toward program fees. Sometimes the money they pay in fees is returned to them when they leave. Any emergency or homeless shelter that allows their clients to stay more than 6 months is also classified under this category. Employment Tips

We often have to work our way up to the job we want; either because it is not available when we go to find it or we need more experience, education, preparation or time to get ready. Although we will spend time working at jobs that are not our preference, we can enjoy the interim more when we stay focused on our goals.

Start by asking yourself:

- What kind of job or career do I want?
- What am I willing to do, learn or sacrifice to get that job or career?

Before venturing out into the world of work you will have to obtain necessary documents.

The most frequently requested documents are:

- Birth Certificate
- Driver's license or Basic Identification
- Social Security Card

The birth certificate and driver's license forms offered in our Employment Documents are samples. You can find links to the applications that you need in our Resource Directory!

Next, ask yourself the following questions

- What occupations or industries in your area are in need of employees?
- What are your employment limitations due to your particular crime?
- What is the income you need in order to pay for housing, food, energy, phone, child support, restitution, transportation, etc? (check out our [Build a Budget Worksheet](#))
- Which strategies do you think would be most effective for "selling" your attributes?

To prepare to apply for a job you may want to create the following worksheets:

- Inventory your work history in and out of prison
- List your training, skills, limitations, and health considerations
- Gather all the information you will need to fill out employment applications. Are you ready to fill them out online? (Several companies only accept online applications.)

Considerations and Preparation

What are your employment resources?

- Classified ads (in the paper or locally found on-line)
- Applying for jobs with companies you want to work for
- Job Assistance and Job Training centers
- Craigslist, Monster.com, other job-search websites

Skills Assessment and Personal Strengths Evaluation

Consider taking a free online self-assessment test help us see what careers we are suited for. If you type the phrase 'self-assessment test' into any search engine, several options will be available for you to check out.

Resume' and Interview tips:

Two good places where you get the chance to show a company why they cannot afford NOT to hire you. Keep these tips in mind as you write your application or resume', and prepare for job interviews:

- Be cheerful in your in-person or telephone job interviews.
- Talk about the benefits of your experience and the relevant expertise you offer.
- Speak about the value you would bring to the company.
- Share stories in the job interview about success in prior assignments.
- Talk about your ability to work with a diverse group of people.

Typical Barriers to Employment:

- Lack of updated resume
- Appropriate clothing for job search
- Transportation
- Stable housing
- Substance abuse
- Poor interview skills
- Poor job search skills
- Not a high school graduate
- No documentation (ID, Social Security card)

SMART: What is your strategy for overcoming barriers and creating success?

You can create a clear strategy by following SMART guidelines:

Specific Measurable Attainable Realistic Timely (or Tangible)

Specific – what is the specific goal you wish to achieve?

Can you answer these questions?

- Who do you need to be involved?
- What do you really want to accomplish?
- When do you want to accomplish it?
- Where do you need to be to accomplish it?
- Why do you want to achieve this goal?
- Which things do you need to get in order and which are the constraints to achieving your goal?

Measurable – How will you know when you've achieved your goal? What criteria have you set up to measure your progress and reach your target dates?

Attainable – Can you see yourself achieving this goal? Can you see the path to get there and then see yourself in that place of having reached the goal?

Realistic – Are you willing and able to achieve the goal?

Timely – How long do you need to achieve your goal? Work out your goal date and then the smaller goals that must be met to meet that goal date?

Tangible – Imagine: can you taste, touch, smell, see or hear the results of achieving your goal?

Interview Tips

Before you head to your interview, ask yourself these questions:

- Do you really want this job?
- Are you qualified for the job?
- Do you believe you can get the job?
- What attitude and information must you deliver to the employer to get the job?
- Are you ready for your interview?

If you decide you really want to get this job, consider these tips:

1. Keep your answers short yet full of information, unless you are asked to clarify. Try to put yourself in the interviewer's shoes; asking the same questions of many applicants! Fine tune your answers to the Sample Interview Questions and bring your authenticity and vitality to the interview.
2. Determine what your key strengths and assets are. Be sure to state them confidently a couple of times throughout the interview.
3. Prepare for a variety of interview questions. Consider the challenges you have overcome, the difficult interpersonal situations that you resolved with others, and several success stories.
4. Describe specific situations and accomplishments. Generalities fail to show the interviewer your strengths and assets and how they can benefit the company and the position that is available.
5. Put yourself on their team. Show how you fit in with the existing work environment and company culture. During the interview, align your language with the language of the team.
6. Observe your non-verbal communication. Are you saying what you mean to say? Practice answering some of the Sample Interview Questions in front of a mirror to see if your eyes and your gestures agree with your words.
7. Ask questions. Is this where you want to work? Find out what you need to know to accept the job. Also, the interviewer will see that you are taking interest in the company and work environment. That is an important quality in a team player.
8. Be sure to talk WITH the interviewer and not AT the interviewer. Interviews are stressful enough for both parties. Keep it human.
9. Research the company. Is it a right fit for you? Can you get behind the mission of the company? How much can you know about the work and the work environment before the interview?
10. Apply for jobs that you are skilled for and that you can appreciate...even if only as a stepping stone to your next job. If you truly want the job, you must be able to compete successfully with your competition. Authenticity shines through your words and your non-verbal communication.

Interview Questions for You to Ask

In an interview both you and the employer are finding out about each other. Asking these questions will show general interest in the business, and the team you are applying to work with. These questions show you care about the position and how you might fit. Asking questions will also help you understand if you think the environment is suitable for you.

Please tell me important information I should consider about working with this company:

- On average, how long do people keep the position for which I am applying?
- What strengths and skills do you think I should have to best fill this position?
- What employee qualities are encouraged here?
- Is this a friendly environment or are people pretty serious?
- Would you tell me about the challenges I might find working here?
- Which companies, products or services are our competitors?

Fair Shake Employer Support

All of this information and much more can be found at <https://www.fairshake.net/employers>

Although tremendous responsibility is on the shoulders of those transitioning from prison to society, their success is made possible only when the entire community is involved.

Employers have the opportunity to help create one of the first and most stable bridges to reentry success. Fair Shake supports an employer's desire to understand formerly incarcerated applicants by offering tools and information to help you make informed, careful hiring decisions.

Fair Shake has also created tools for our members to more fully demonstrate their character than may be available on a standard job application through our free "office in the clouds", which includes a Personal Web Page.

The FAIR SHAKE PERSONAL WEB PAGE (PWP): What you learn about these applicants

Building a Fair Shake personal web page is not an easy feat! Formerly incarcerated people who create this page demonstrate many things to you:

- **HONESTY:** They are open, honest and direct by letting you know s/he has been incarcerated. As you may well imagine, this takes an enormous amount of courage. We know that honesty is imperative to building trust. Is honesty something you are looking for in your employees?
- **SELF-MOTIVATION:** Creating this page demonstrates the applicant's perseverance, tenacity, and desire to succeed. S/he had no coercion in building this page; there was no class for it nor did anyone recommend they do this. They built the page of their own volition.
- **TECH-SKILLS:** A variety of computer skills were required to create the Personal Web Page including: scanning, storage, typing, and understanding 'cloud' technology; to name a few.
- **HUMANNESS:** In addition to the above, the applicant offers information here that describes more than skills and experiences; you learn who they are and what they bring to your organization. This information is very important in building company culture, but is not requested on standard job applications.

Why hire a formerly incarcerated person?

- To keep your options open for hiring the best possible candidate!
- Many formerly incarcerated people have received extensive training
- Many formerly incarcerated people are motivated to work
- Many formerly incarcerated people have a job coach or advisor
- Support is available for training and reducing risk

Fidelity Bonding Program
