Reentry Resource - Programs

Exodus Transitional Community, Inc. is a faith-based prisoner re-entry organization that provides supportive services to formerly incarcerated and otherwise justice-involved men, women, and young adults using a whole-person approach inspired by the Old Testament's Book of Exodus.

Many incarcerated individuals believe that once they leave the physical bondage of incarceration, their problems are over. In reality, like the ancient Hebrews in the book of Exodus, they will more likely be wandering in their own personal wilderness struggling with financial, family, and social issues before they reach the Promised Land of full re-integration into society.

The Exodus Model is designed to guide individuals through that personal wilderness, facilitating successful re-entry and breaking the cycle of recidivism.
