There is no question that the New Life Center is making a difference in the lives of the men it serves. Approximately eighty percent of NLC residents have a history of substance abuse and about half a criminal background. Despite these seemingly overwhelming statistics, we have men graduating from college every year, including one who was Valedictorian of his class at TCU! Most exciting, in our eyes, we see residents receive and grow in Christ. We are blessed to be a part of what our great God is doing at the New Life Center!
