Family - Family Services

Family Preservation

The Apostles House has been providing companionship services to families for the past 20 years. Families identified by the Department of Youth and Family Services (DYFS) as being in danger of foster home placement as a result of abuse or neglect, are referred to us to provide support for these families with the goal of stabilizing and preserving the family structure in place. Many of our clients are overwhelmed by their conditions and need direction, information and referrals, face to face counseling, mentoring and basic attention to help them resolve their problems. The Family Preservation program provides these necessary services.
