Jericho House is a Christian based aftercare and transitional program for ex-offenders being released from prison. Our focus is to help make a successful, law-abiding transition from prison to open society. We do this by helping in every area of social difficulty or obstacle. We provide room, board, transportation and Christian discipleship; we assist with job search, getting proper I.D., etc. We teach and encourage social responsibility. The facility is a large two-story, four-bedroom brick house.
