The Metrobus system provides service throughout Miami-Dade County 365 days a year. Service is available from Miami Beach and Key Biscayne to West Miami-Dade, as far north as Broward County and as far south as Homestead, Florida City and the Middle Keys. Designed to intersect with Metrorail and Metromover, MDT's bus system serves all major shopping, entertainment and cultural centers, as well as major hospitals and schools.

Please find more information on the website and feel free to contact with further questions.

Transportation - Public Transportation

Everybody rides free on Metromover. This 4.4-mile electrically-powered, fully automated people mover system connects with Metrorail at Government Center and Brickell stations and with Metrobus at various locations throughout downtown. Major destinations of the Metromover system include the American Airlines Arena, Bayside Market Place, Miami-Dade College and the Miami-Dade County School Board.

Transportation - Public Transportation

The 23 accessible Metrorail stations are about one mile apart, providing easy access for bus riders, pedestrians, and passengers who are dropped off and picked up. Find more information on the website and contact there as well.
