Shelter - Transitional Housing

Hillcrest Transitional Housing offers homeless families, singles and youth a disciplined educational program within a caring, supportive environment. Unlike many organizations whose focus is one-time or emergency care, Hillcrest's primary objective is to move clients from homelessness to self-sufficiency within 90 days by addressing the total life situation of the homeless families they serve; longer term transitional housing options may be available to clients with excessive barriers to housing. Hillcrest also provides a transitional housing program for homeless teens and young adults, ages 16-20, who have an educational goal. This unique program offers housing and supportive services for up to 24 months.

This high-risk youth mentoring program offers intense, long-term mentoring for a select group of high-risk urban adolescents ages 11-18. Higher M-Pact also provides life and social skills training, spiritual development, education, job training, guidance counseling and recreational services. Our approach differs from the conventional Mentor v. Mentee relationship between adults and youth. We embrace a Mentor v. Mentor relationship that allows the youth to better communicate how the adults can assist them in meeting their needs through on-going individual and group interaction. As long as youth remain in the Kansas City Metropolitan area, they remain in the program.
