Employment - Employment Services

Our employment services are specifically tailored to meet the needs of formerly incarcerated individuals who often have strong work skills but whose criminal record can undermine their chances of obtaining employment. To that end we teach and cover letter development, interviewing skills, effective job searching techniques, workplace conflict resolution, and employer expectations. In addition to job readiness training, we provide full service job development and placement for everyone enrolled in case management. Our employment team is dedicated to helping participants find and maintain employment, and assists them every step of the way.

Reentry Resource - Programs

Exodus Transitional Community, Inc. is a faith-based prisoner re-entry organization that provides supportive services to formerly incarcerated and otherwise justice-involved men, women, and young adults using a whole-person approach inspired by the Old Testament's Book of Exodus.

Many incarcerated individuals believe that once they leave the physical bondage of incarceration, their problems are over. In reality, like the ancient Hebrews in the book of Exodus, they will more likely be wandering in their own personal wilderness struggling with financial, family, and social issues before they reach the Promised Land of full re-integration into society.

The Exodus Model is designed to guide individuals through that personal wilderness, facilitating successful re-entry and breaking the cycle of recidivism.
