# PRE-RELEASE INVENTORY

Additional items to add to your list!

## 1. List the gifts that you bring with you!

- Include your courage, determination and authenticity.
- Your ability to listen well and offer the greatest gift a person can give: your attention.
- The special tools and skills you've developed to share with employers, coworkers, customers and clients.
- Expanded knowledge, compassion and commitment to those who are close to you.
- The unique perspective, and pro-social community-building skills that you have to construct the future with others!

## 2. Prepare for tough times. Write down book titles, articles, names of friends and family, and community resources you can turn to when things are tough; or when you feel down or vulnerable. When it's difficult to reach out to people; books may be a good place to start.

## 3. Check for "Over-Confidence". It's crucial to be confident...but foolish to be over-confident! Here are a couple of ideas to locate and address possible points of overconfidence:

- + Play "Devil's Advocate". Be critical and pessimistic. If possible, solicit the help of a friend or a young person. (In general, the young are better at this than adults.)
- + Resist comparing yourself to others. Everyone does things differently!
- + Listen to, and address, concerns or criticisms from others. This doesn't mean you need to argue with them or change course. Just check to see if you are fully considering their perspective.
- + Mix modesty and humility with enthusiasm.

## 4. Remember: you've got a lot of choices ahead! There's always more than one option, and almost always more than two. Try to find at least 4 options from which you can build or blend options to create your best opportunities!

# AGENCY and ACTION

What can we do,  
with what we have,  
where we are,  
right now ?

\*\*\* We can get ready for change; ready to build what comes next; ready for the unknown! We can read, write, plan, draw, and think – as a strategic problem solver and community building collaborator.

\*\*\* We can stay flexible...mentally and physically...so that whatever comes, we will be ready and able to adjust and contribute.

\*\*\* We can reflect, and deepen our understanding and compassion.

\*\*\* We can consider the things that we would most love to give our deep attention to and consider how our unique gifts could bring strength to the areas we are most passionate about.

\*\*\* We can gather tools and build skills that we will need such as attending to issues with anxiety, depression, loneliness, self-doubt; or deepening skills we already have and which are so hard to find such as listening and caring.

\*\*\* We could learn something important for community building, so we can share it with any community we join.

\*\*\* Feel free to reach out to Fair Shake to see if we can connect you with a group of people who are working in the area where you would like to invest your efforts: [outreach@fairshake.net](mailto:outreach@fairshake.net).

Wishing you all the best through your transitions to come! Your success is important to me...and to our future together. **Ubuntu!**

**Gary's Job Board:** [www.garysjobboard.com](http://www.garysjobboard.com)  
Truck Drivers wanted! Since 2004.

Gary can find you a better truck driving job, with or without a CDL.

Gary's Job Board was created to help Truck Drivers find Driving Jobs, and to help Dispatchers find Drivers. Gary's Job Board is 100% unaffiliated. We DO NOT recruit for any carriers. Our service will always be FREE to drivers because drivers' rock. Here's how garysjobboard.com works: (this is NOT a run-of-the-mill trucker job board. No one will call you, you have all the power).

- Complete your Driver Profile, it takes 2 minutes.
- Companies will see your first name, type of CDL, and experience level.
- They will not see your email address.
- You will receive a company invite by email and the email will come from our system.
- Check out what they are offering. Answer the email or not. You'll receive another invite down the road.

**Trucking Truth**  
[www.truckingtruth.com](http://www.truckingtruth.com)

A Positive Yet Honest View Of The Trucking Industry With Friendly Advice From Experienced Drivers

Trucking Truth (TT) was created in 2007 to give new drivers a true picture of what a career as a truck driver is all about and a straightforward strategy for surviving that first year of their career. I wanted people to know that trucking can be an awesome career for the right person and it's totally doable if you work hard, keep a great attitude, and have a solid strategy in place.

A huge informational website that includes:

- Trucker's Forum
- Truck Driver's Career Guide
- Free CDL Practice test
- A list of companies that hire people with a criminal history.
- "The Road Home" podcast
- All things CDL
- Trucking Company Reviews
- Trucking Wiki...where you can find out FAQ's, physical health tests and issues, limitations and opportunities for drivers with a criminal history, driving with pets and much more.

### Get Paid While Training For Your CDL?

Upon completion of your paid CDL training, you will sign an agreement to work for the company for a specified amount of time. This is how they recoup the time and money they've invested in your CDL training, which is a very fair deal for both sides.

If you quit working for the company before your obligation is complete, you will owe the company a prorated amount of money for the schooling. At some companies, your training will be free once your obligation is complete. Others may require you to make payments from your paycheck to cover the tuition for the schooling.

TT offers a review of the companies that offer paid CDL training.

# Fair Shake Employer Support

All of this information and much more can be found at <https://www.fairshake.net/employers>

Although tremendous responsibility is on the shoulders of those transitioning from prison to society, their success is made possible only when the entire community is involved.

Employers have the opportunity to help create one of the first and most stable bridges to reentry success. Fair Shake supports an employer's desire to understand formerly incarcerated applicants by offering tools and information to help you make informed, careful hiring decisions.

Fair Shake has also created tools for our members to more fully demonstrate their character than may be available on a standard job application through our free "office in the clouds", which includes a Personal Web Page.

## **The FAIR SHAKE PERSONAL WEB PAGE (PWP): What you learn about these applicants**

Building a Fair Shake personal web page is not an easy feat! Formerly incarcerated people who create this page demonstrate many things to you:

- **HONESTY:** They are open, honest and direct by letting you know s/he has been incarcerated. As you may well imagine, this takes an enormous amount of courage. We know that honesty is imperative to building trust. Is honesty something you are looking for in your employees?
- **SELF-MOTIVATION:** Creating this page demonstrates the applicant's perseverance tenacity, and desire to succeed. S/he had no coercion in building this page; there was no class for it nor did anyone recommend they do this. They built the page of their own volition.
- **TECH-SKILLS:** A variety of computer skills were required to create the Personal Web Page including: scanning, storage, typing, and understanding 'cloud' technology; to name a few.

Sun Dog Manufacturing  
123 Swiggum St.  
Westby, WI 54667

Dear Mr. Wikstrom:

Thank you for taking the time to meet with me about the Shipping Manager job opening yesterday. I appreciate the opportunity to interview for this position.

Upon reflection, I believe I am a good fit for the Shipping Manager position and also for the company. I bring four years experience in shipping and receiving and I am familiar with nearly all of the tools you showed me. I learn quickly and will be able to master each of the computer shipping programs easily. My personality is well-suited to accommodate the variety of employees who will bring items to be shipped, and also the freight handlers that I will interface with.

Thank you for listening to me describe my past and what I have learned from my incarceration. Be assured that I have reflected upon, learned from, and moved beyond all types of criminal behavior. I am ready and willing to be a reliable benefit to Sun Dog Manufacturing.

I'm very interested in working with you and your team. I am a dedicated worker and can commit to supporting Sun Dog Manufacturing well into the future. Please feel free to contact me if you would like further information. My cell phone number is 608-634-1234

Thank you again for your time and consideration.

I'm looking forward to hearing from you.

Sincerely,
